> John,

> Eddie was awesome, he is so detail oriented. He and Justin were very respectful of us and our property, too. Craig finished everything up today. He was very nice, he made sure that we were happy with everything before he left. The deck is just perfect and turned out better than I had imagined. We will certainly call on you guys again when the need arises. Thanks for everything!!! I have your check ready and will put it in the mail tomorrow.

> Take care, Teddi
