September 19,

Dear Sir or Madam,

This letter is to send a HEARTY CONGRATULATIONS and THANK YOU for sending our way likely one of your top coordinators in Cory Metzger to arrange the rehabilitation of both our upstairs bathrooms, bedrooms, our stairwell, and our kitchen; Craig âthe demo manâ who cleared these areas for rehab; and what must be the most experienced and friendly couple who work together to perform the actual reconstruction of those areas, Max & Judy Reimschisel. They all became like family.

We are 100% satisfied with their work and absolutely thrilled that we were so fortunate to have found and hired your company and these excellent and professional employees.

Please feel free to provide this letter to anyone who may ask for references from clients for whom you have provided service.
